rule the world...."

For my Sister, Geraldine, for being intense, passionate, committed, brilliant, fierce—for creating a large part of me, my career, the world. Where do you end, where do I begin? You believed in me always, as I believe in you. Many of the words in this book come from you and I look forward to your book, your film. The world is waiting for you, Sister.—Roseanne Barr's dedication of her book, My Life as a Woman

I learned it was all over when Roseanne got back from her honeymoon with Tom. She called me to her house, the one she was renting in Laurel Canyon. That house was amazing—swimming pool in back, six bedrooms, six baths, elaborate sound and stereo systems, maid's quarters ... and rats! My sister was paying 15 grand a month, and the mansion was rat-infested. I remember staying there at night and hearing the vermin running through the ceilings.

Tom and their lawyer were there at first, but when I sat down in her big, formal dining room, they left. Then Rosie, in one minute, changed my life.

"I don't want to work with you anymore," she said bluntly. "I don't want you to clean up my shit anymore."

It came out of the blue. After a lifetime of sisterhood, after spending the last ten years working together developing her nightclub act, after the last two years of my producing, de

a gargantuan
sexual
appetite."**

facto, her hit TV show, that was it. After all her promises that we would start our own production company, the hammer had fallen. I was stunned. The only words I could get out were, "I am sad. Very, very sad."

For six months afterward, I didn't call her. I didn't even call her during her National Anthem fiasco in San Diego (when she pulled at her crotch after singing "The Star-Spangled Banner" and then spat on the ground). Six months went by. Finally, I worked up my courage and called her. I asked her to meet me at a hotel in Santa Monica. She agreed.

When we saw each other again, we were both very emotional. I realized how much I had missed her. We hugged and couldn't let go of each other.

"I can't believe you didn't call me right after the anthem thing," she said. "It was incredible to get the president of the United States pissed off at me. That was the greatest art I ever created. I can't believe you didn't call."

Had she forgotten that she had chased me away? I hadn't. And there were plenty of loose ends to tie together. After all the work, would there be any reward at all? I'd believed that we were, as she said, Jewish-sister-partners, and I trusted her promises and her words. "I need to talk to you about moving on with my life," I said. "If we're not gonna work together, after ten years of my life ..." The emotions just spilled out of me. "I thought I had a future. You made a lot of promises to me; I need a new beginning."

I'll never forget her answer. "Well, sorry, you don't get none of my money. You ain't one of my husbands."

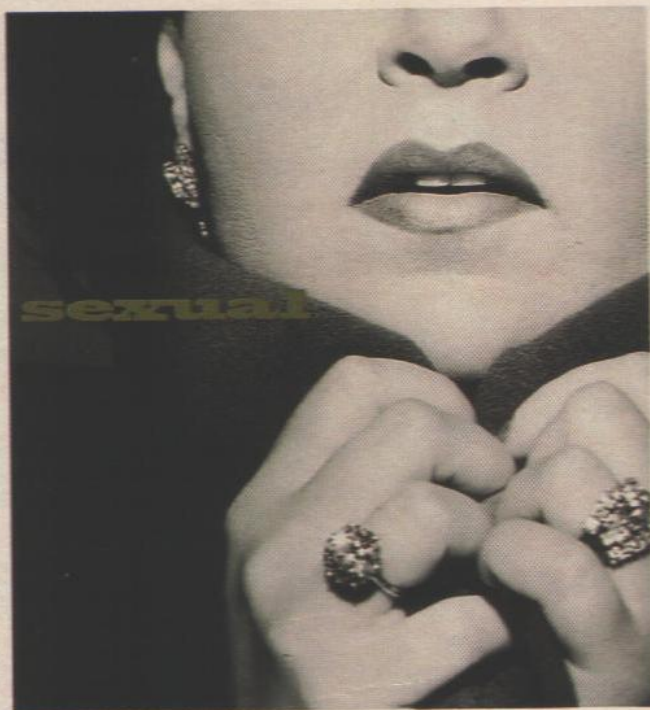

So this is what it all comes down to, I thought to myself as I left her. Money.

I would learn soon enough that money was only one of Roseanne's resentments. I was on vacation, trying to sort out my future, when Roseanne exploded an even bigger bombshell, a devastating accusation against our parents that would blow most families to small pieces....

It wasn't ever supposed to be that way. At the beginning, we had wanted to change the way men and women see themselves and to make a statement about being a powerful woman—that that was an okay thing to be; it didn't mean you had to be a bitch. What you *did* have to be, first and foremost, was funny. The attitude was summed up in one of my favorites of Rosie's jokes: "My husband wants me to be more aggressive in bed. So I told him, 'No!'"

Roseanne, if you want to blame something on Dad, blame him for that. In the Barr family, you could do and say anything you wanted—as long as it was funny.

Everything in our life was a mixture of funny and pathetic; we were Jews in Salt Lake City, for God's sake. (And poor.) But there were no limits on the punch lines in our house—

hold—it just had to be funny. You'd work really hard to get the punch line to pay off.

People would come to our house on Lincoln Street to visit and they'd never want to leave. The atmosphere around the house was like a sitcom, and to the boring people in Salt Lake, it must have been better than TV.

Rosie and I were sure we were going to be famous. Even as little kids, we just knew we'd grow up to rule the world. We made a pact early. Roseanne would be the star, and I would work behind the scenes. Even as a child, she had an incredible ability to command an audience. People could never get enough of her; they loved her.

We'd put on little shows in the neighborhood. They would take five weeks of planning. Rosie would star and I'd produce—print the fliers, sell the tickets, set up the tables, and sell the drinks. It was clear even back then that each of us had a different talent. It was a nice marriage, and we could always get the neighborhood kids and their parents to come to the show.

ANDREA

“One of my greatest turn-ons is when a man takes total control.... But I’m not afraid to show him exactly what I want.”

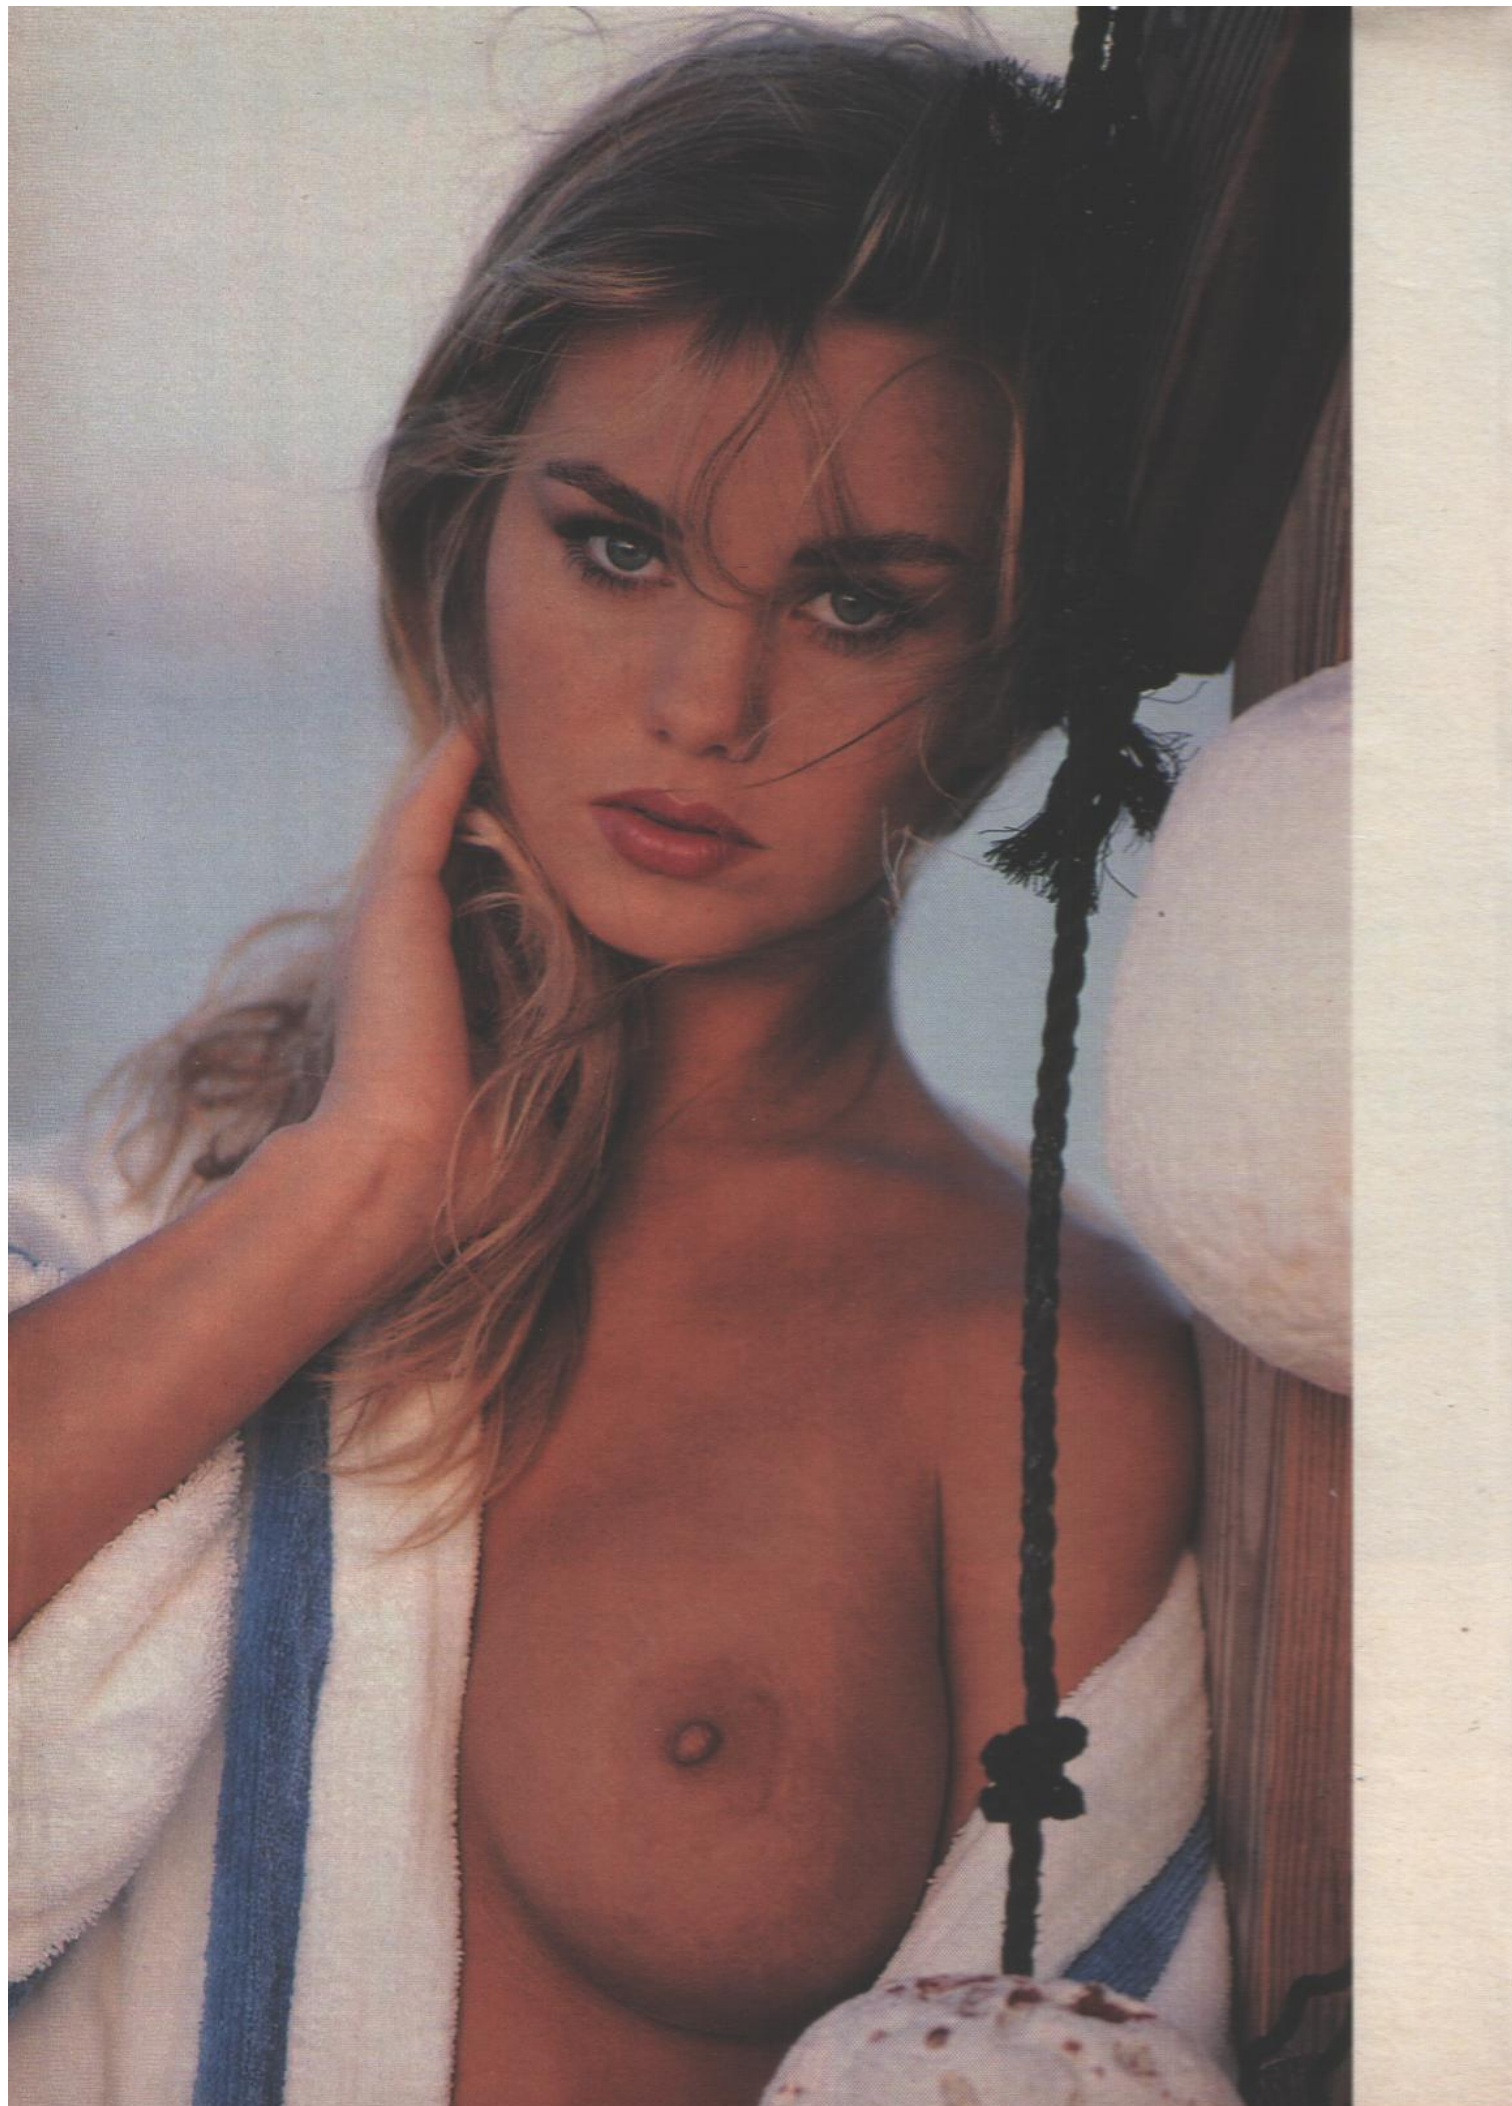

SPRING FEVER

Spring is a time for fresh blossoms, renewed desires, and appreciation for the wonders of nature. One of these wonders, our exhilarating April Pet of the Month, Andrea Mountjoy, is happy to get into the spirit of the season by sharing her devil-may-care philosophy with her favorite publication. "Being in *Penthouse* gives me an opportunity to express myself in a truly erotic way," says the radiant 22 year old from Missouri. "I really get into myself and let out all my fantasies and desires."

PHOTOGRAPHS BY STAN MALINOWSKI

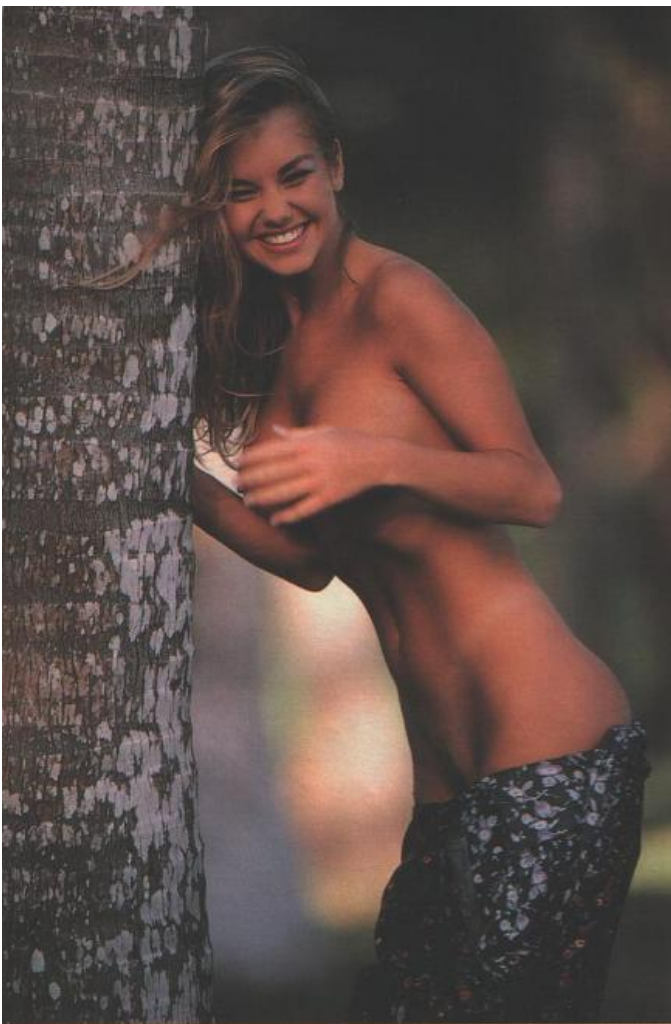

Locations and hospitality courtesy of the Moorings (305) 664-4708, Islamorada, Fla.

When she's not modelling or at school, the 34-24-34 beauty enjoys camping, scuba diving, and volleyball. "I make what I do a lot of fun," Andrea says. "I had a great time modeling for *Penthouse*.... Things even got a little crazy!" As you can see, she certainly lets it all hang out at playtime.

"The most remarkable sexual experience I've ever had was making love to my boyfriend in a limousine," Andrea confides. "The scene got so hot. We were spilling champagne and licking it off each other.... But there was also another time, when we made passionate love while he was driving down a back-country road.... I couldn't help myself—I just climbed on top of him!" For Andrea, committing to one lover means being satisfied in every way. "If a man has what it takes to make me happy and secure, then I know when it's time to get serious.... And even though one of the greatest turn-ons for me is when a man takes total control," she adds, "I'm not afraid to show him exactly what I want."

Andrea's perfect date includes an extravagant dinner, good wine, dancing, and a slow walk in the moonlight. That stroll shouldn't be too leisurely, though. She likes to keep her man on his toes. "I get anxious when things take too long," she explains.

Being from the Show Me State gives Andrea a practical side to her usually romantic nature. "I feel that I should take advantage of my opportunities," asserts the emerald-eyed Pet.

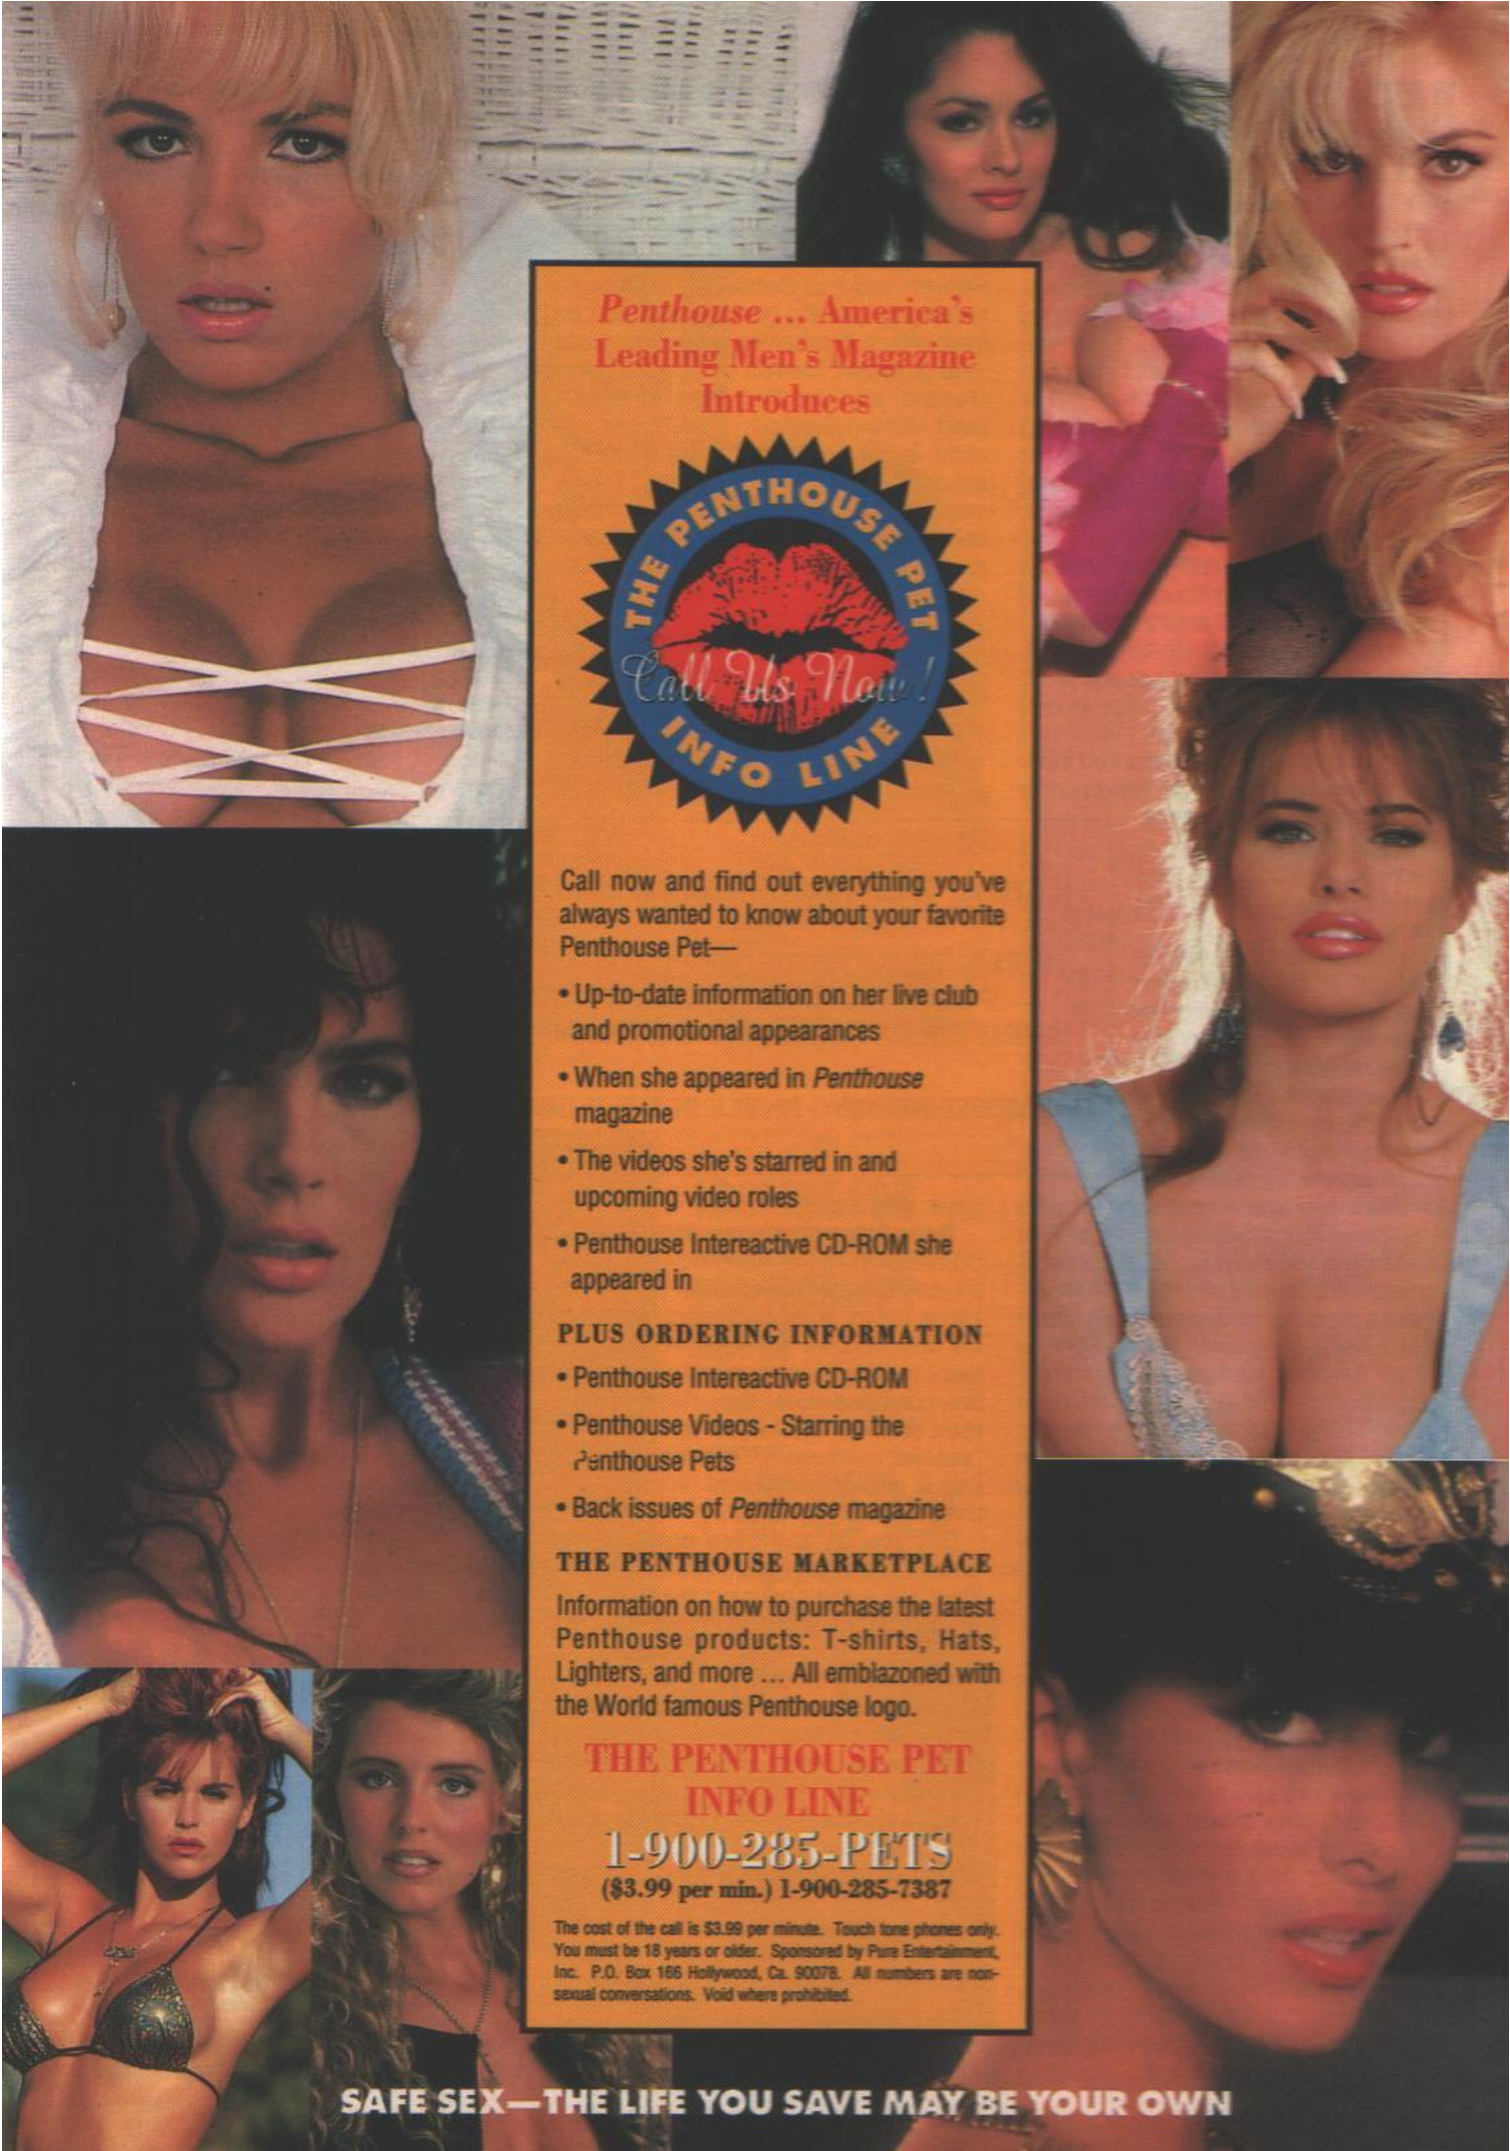

"So far my story is a fairy tale of a midwestern girl with dreams that have all come true!" You've shown us, Andrea, and these pictures will make all our dreams come true, too.

AUDIT HELL!

INTERNAL REVENUE SERVICE

SATIRE BY FRANK COTHAM

"Here comes the I.R.S. auditor that we're expecting momentarily."

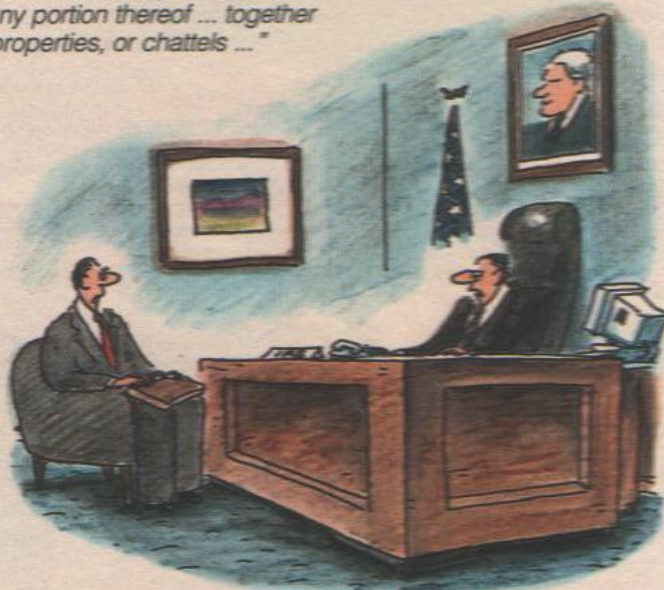

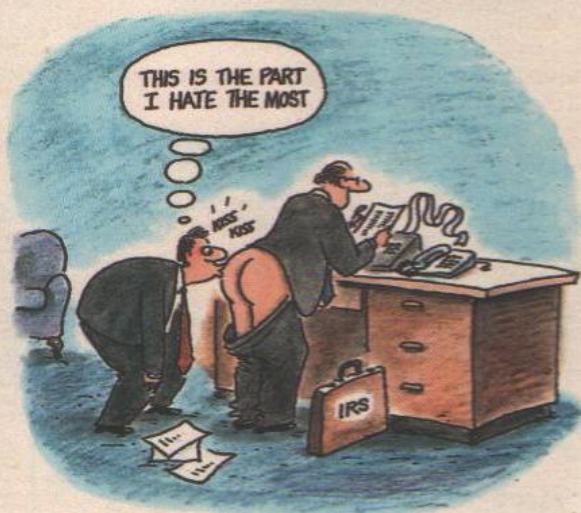

"What sort of entertainment expenses are we talking about here?"

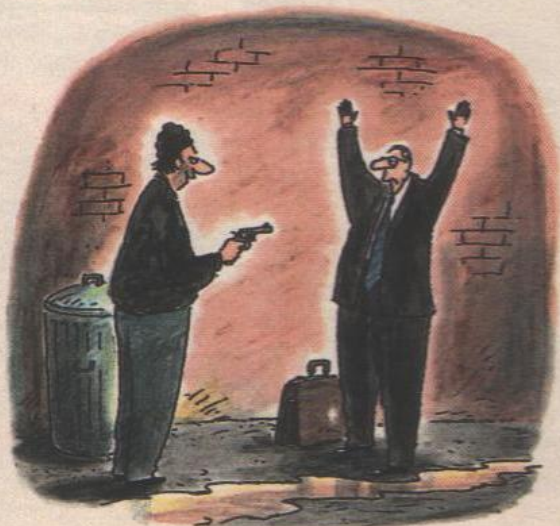

"Since we are short of demons, Mulrooney, and since you were a collection agent for the I.R.S."

"Should you fail to pay back taxes, penalties, and interest, the Internal Revenue Service may seize your remaining bottle of wine, or any portion thereof ... together with such other assets, properties, or chattels ..."

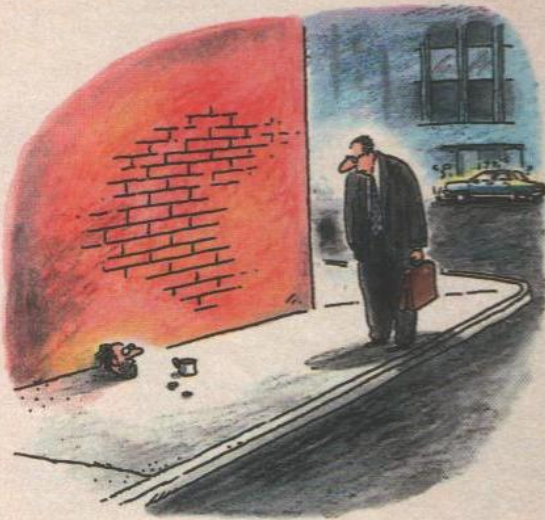

"We'll want to begin this audit by attaching some electrodes to your testicles."

"No kidding? I'm an I.R.S. agent, too."

"And then one day the I.R.S. man showed up."

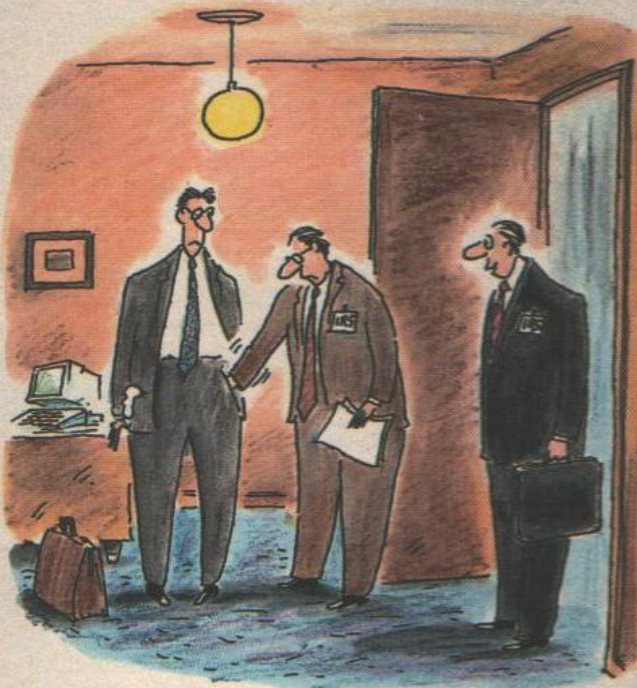

"You always think it can never happen to you."

"I need a drink for what I'm going to do today.... I'm preparing to audit some poor bastard named Ted."

"I see the audit has already started."

"Remember you were saying that there are only two things in life that are absolutely inevitable? Well, they're both here."

4 VIDEOS FOR ONLY \$19.95!! #8245

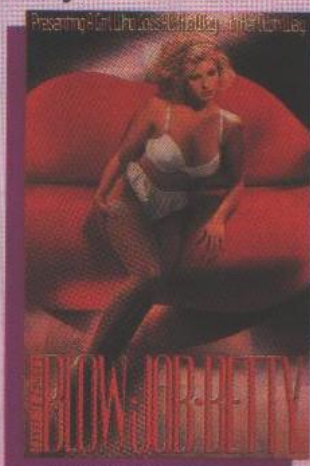

FACE SITTER PT. 1 - Kelly O'Dell, Alyssia Gereau, Mikaela, Lacy Rose, Jon Morgan, T.T. Boy, Marc Wallace.

An obsessive, compulsive excursion into facesitting. It's immediate seating available for gorgeous Kelly O'Dell who can't stand not to sit. Kelly and friends join the crowd as they "pull up a face and sit down"!

FACE SITTER PT. 2 - Tabatha Cash, P. J. Sparks, Lacy Rose, Leanna Foxx, Tiffany Minx, Rocco Siffredi, Steve Drake. Hot French sensation Tabatha Cash turns up the heat as she face sits for maximum comfort and awesome sensation. A video worthy of a sitting ovation. Lean back and enjoy as beautiful ladies sit on a very happy face!

We'd like to introduce you to the best buys in adult video by making this unbeatable offer. For just \$19.95 we will ship you all four of the videos on this page. You'll receive all 4 of these hot videos for only \$19.95 - and that's an incredible deal! In fact, it's less than a rental and you don't have to drive to the video store!

BLOW JOB BETTY - Betty, Alison Sterling, Mimi Miyagi, Brit Morgan, Randy West, Rocco Siffredi.

Betty shows her very special talent for getting ahead. A conservative executive, working for lowlife movie producers and spoiled stars until she met Rocco and her life was never the same. Meet Blow Job Betty, giver of the best head on earth. The best. Bar none. A girl who goes all the way ... In her own way!

BLOW JOB BONNIE - Bonnie Jean Bradley, Britt Morgan, Patricia Kennedy, Dominique, Sean Michaels, Steve Drake. She's the girl of your dreams. Shallow conversation. Light Thinker. Deep Throat. She expresses herself orally, rather than verbally. And if you can't stand the heat, don't worry. She'll provide mouth to genital resuscitation. Blow Job Bonnie, she really sucks!

Give us a try. You have absolutely nothing to loose because when you purchase these titles from Video Age it includes our **IRON-CLAD GUARANTEE...** If you're not happy with your purchase for any reason just return the purchase for a full refund of the purchase price! It's that easy!
