# Alexus

“Maybe someday I’ll make  
my favorite erotic fantasy come true. I dream  
of being at a club and going  
home with a woman like Sharon Stone.”

“I knew posing for Penthouse would give me a chance to be bold, daring, and erotic, and I’m grateful for the opportunity to express that part of myself.”

## IN A CLASS OF HER OWN

Twenty-one-year-old Alexis Winston, our November Pet of the Month, is one Thanksgiving treat that has us counting our blessings. "I love modeling, and I love being nude," Alexis tells us. "This is like a dream come true! I knew posing for *Penthouse* would give me a chance to be bold, daring, and erotic, and I'm grateful for the opportunity to express that part of myself. *Penthouse* only accepts a certain class of women, and I've always felt that I had the spirit to be one of those women."

In addition to modeling, Alexis is taking acting lessons. "I'd like to be the next Marilyn Monroe," the 36-24-34 Californian says. "I guess you could say I'm reaching for the stars."

"I live in a small town, but it's between Vegas and L.A.," Alexis adds. "It's perfect, because I'm not in the middle of the city, but I'm also not stuck in the middle of nowhere."

"When I want to relax I go to my house at Lake Havasu," Alexis says. "It's a beautiful place, and it's been the site of my most memorable sexual experiences. One time I made love on a pontoon boat, without a care about who might be able to see us. Another time I didn't even make it to the lake. We stopped on the way, got out of the car, and made love in the desert."

"Maybe someday I'll make my favorite erotic fantasy come true,"  
 Alexis says. "I dream of being at a club and going home with a woman like Sharon Stone.  
 That would probably mean the end of my other favorite fantasy though.  
 I would love to be president, just so I could prove that a woman is up to the job." Alexis,  
 whichever path you choose, we know you'll prove that you're up to the job!

Then the  
 green-eyed  
 beauty  
 adds with a  
 laugh, "Of  
 course none  
 of that  
 compares  
 to the time  
 I rode my  
 Waverunner  
 butt-naked  
 ... with  
 hundreds of  
 people  
 around."
